Rectifier Technologies Ltd and Controlled Entities Directors' report 31 December 2022

The directors present their report, together with the financial statements, on the consolidated entity (referred to hereafter as the 'consolidated entity') consisting of Rectifier Technologies Ltd (referred to hereafter as the 'company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year ended 31 December 2022.

Directors

The following persons were directors of Rectifier Technologies Ltd during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Mr. Ying Ming Wang

Mr. Yanbin Wang

Mr. Valentino Vescovi

Mr. Nigel Machin

Mr. Nicholas Yeoh (appointed on 8 December 2022)

Principal activities

The principal activities of the consolidated entity were the design and manufacture of high efficiency power rectifiers, and the production of electronic and specialised magnetic components.

Review of operations

Sales increased substantially in the second half-year of 2022, significantly improving overall financial performance. A net profit for the consolidated entity after providing for income tax amounted to \$3,759,988 (31 December 2021: \$402,557). The Company also enhanced product delivery to our customers in the last six months by facilitating the supply chain process and extending the manufacturing capacity successfully.

Outlook

The 'RT22 50KW EV Charger Module' continues to be a significant focus of our engineering efforts. The UL safety certification of the RT22 by TUV SUD has been achieved, and the RT22 is currently undergoing IEC safety certification by TUV SUD. Despite slight improvements in the supply chain outlook, we are still in the process of validating a range of alternative components to ramp up production volumes. Our engineering team is also strongly supporting our current customers of RT22 as they work to bring up their production.

The customised 'high-voltage input rectifier' project development is on track to provide prototypes to the customer in mid-2023. The customer requires production to commence in early 2024. Our research and development team is in the early stages of investigating a customised liquid-cooled rectifier module development, once an agreement with the customer is signed, the project will commence in earnest.

The E-Mobility industry's customer demand for charging modules remains solid and elevated. As a result, the Company anticipates continued revenue growth from E-Mobility in the future.

Significant changes in the state of affairs

There were no significant changes in the state of affairs of the consolidated entity during the financial half-year.

Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

On behalf of the directors

Yanbin Wang

Director

Auditor's Independence Declaration

To the Directors of Rectifier Technologies Limited

In accordance with the requirements of section 307C of the *Corporations Act 2001*, as lead auditor for the review of Rectifier Technologies Limited for the half-year ended 31 December 2022, I declare that, to the best of my knowledge and belief, there have been:

- no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- b no contraventions of any applicable code of professional conduct in relation to the review.

Note 1. General information

The financial statements cover Rectifier Technologies Ltd as a consolidated entity consisting of Rectifier Technologies Ltd ('company' or 'parent entity') and the entities it controlled at the end of, or during, the half-year (the 'consolidated entity'). The financial statements are presented in Australian dollars, which is Rectifier Technologies Ltd's functional and presentation currency.

Rectifier Technologies Ltd is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is:

97 Highbury Road Burwood, VIC 3125

A description of the nature of the consolidated entity's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 27 February 2023.

Note 2. Significant accounting policies

These general purpose financial statements for the interim half-year reporting period ended 31 December 2022 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2022 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New or amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the consolidated entity during the financial half-year ended 31 December 2022 and are not expected to have significant impact for the full financial year ending 30 June 2023.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Contract liabilities

Contract liabilities represent the consolidated entity's obligation to transfer goods or services to a customer and are recognised when a customer pays consideration, or when the consolidated entity recognises a receivable to reflect its unconditional right to consideration (whichever is earlier) before the consolidated entity has transferred the goods or services to the customer.

Extended warranties are initially recognized as contract liabilities in the balance sheet and recognized in the income statement on a straight-line basis over the term of the extended warranty period.

Comparative information

Comparatives in the statement of profit or loss and other comprehensive income have been realigned to the current period presentation to enhance comparability. There was no effect on the results of operations or net assets position.

Note 3. Operating segments

Identification of reportable operating segments

The consolidated entity is organised into 4 operating segments as described below. These operating segments are based on the internal reports that are reviewed and used by the executive management committee (who are identified as the Chief Operating Decision Maker ('CODM')) in assessing performance and in determining the allocation of resources. The executive management committee considers the business from both a product and geographic perspective and assesses performance and allocates resources on this basis. It is considered that presentation based on the nature of the product or service, and, in the case of the Industrial Power Supplies business, the nature of customer, better enables users to evaluate the nature and financial effects of the consolidated entity's business activities. The CODM is supplied with discrete financial information for each of the segments identified. There is no aggregation of operating segments.

The consolidated entity operates from the following separate entities; (a) Rectifier Technologies Pacific Pty Ltd ('RT Pacific); (a) Rectifier Technologies Malaysia Sdn Bhd ('RT Malaysia'); and (c) Rectifier Technologies Singapore Pte Ltd ('RT Singapore').

Segment	Description
Electronic Components	Under this segment, RT Pacific and RT Malaysia manufacture electronic components for a number of industries.
Industrial Power Supplie (Electricity generation/ distribution and Defence ('E&D')	controllers, accessories and complete systems for the power generation, distribution
Industrial Power Supplie (Transport and Telecommunication) ('T&	for the transport industries and telecommunications. RT Singapore only focuses on
Industrial Power Supplie (Electric vehicles) ('EV')	,

The CODM reviews earnings before interest, tax, depreciation and amortisation ('EBITDA'). This measure excludes non-recurring expenditure such as restructuring costs, impairments and share-based payments as well as interest revenue and interest expense and other items which are considered part of the corporate treasury function. The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements.

The information reported to the CODM is on a monthly basis. Refer to note 4 for geographic information.

Intersegment transactions

Intersegment transactions were made at market rates. Inter-segment revenue comprises sales between segments which are on arm's length terms. Intersegment transactions are eliminated on consolidation.

Intersegment receivables, payables and loans

Intersegment loans are initially recognised at the consideration received. Intersegment loans receivable and loans payable that earn or incur non-market interest are not adjusted to fair value based on market interest rates. Intersegment loans are eliminated on consolidation.

Note 6. Dividends

There were no dividends paid, recommended or declared during the current or previous financial half-year.

Note 7. Contingent liabilities

The consolidated entity had no contingent liabilities as at 31 December 2022 and 30 June 2022.

Note 8. Events after the reporting period

No matter or circumstance has arisen since 31 December 2022 that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations, or the consolidated entity's state of affairs in future financial years.

Rectifier Technologies Ltd and Controlled Entities Directors' declaration 31 December 2022

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the consolidated entity's financial position as at 31 December 2022 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 303(5)(a) of the Corporations Act 2001.

On behalf of the directors

Independent Auditor's Review Report

To the Members of Rectifier Technologies Limited

Report on the half-year financial report

Conclusion

We have reviewed the accompanying half-year financial report of Rectifier Technologies Limited (the Company) and its subsidiaries (the Group), which comprises the consolidated statement of financial position as at 31 December 2022, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a description of accounting policies, other selected explanatory notes, and the directors' declaration

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Rectifier Technologies Limited does not comply with the *Corporations Act 2001* including:

- a giving a true and fair view of the Group's financial position as at 31 December 2022 and of its performance for the half-year ended on that date; and
- b complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations* 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

www.grantthornton.com.au ACN-130 913 594

Grant Thornton Audit Pty Ltd ACN 130 913 594 a subsidiary or related entity of Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389. 'Grant Thornton' refers to the brand under which the Grant Thornton member firms provide assurance, tax and advisory services to their clients and/or refers to one or more member firms, as the context requires. Grant Thornton Australia Limited is a member firm of Grant Thornton International Ltd (GTIL). GTIL and the member firms are not a worldwide partnership. GTIL and each member firm is a separate legal entity. Services are delivered by the member firms. GTIL does not provide services to clients. GTIL and its member firms are not agents of, and do not obligate one another and are not liable for one another's acts or omissions. In the Australian context only, the use of the term 'Grant Thornton' may refer to Grant Thornton Australia Limited ABN 41 127 556 389 ACN 127 556 389 and its Australian subsidiaries and related entities. Liability limited by a scheme approved under Professional Standards Legislation.

Directors' responsibility for the half-year financial report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2022 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
